SECTION 1

INTRODUCTION

1.01 General

The Town of Bargersville is responsible for ensuring the proper installation of all facilities as part of sanitary sewers constructed in or connected to the existing Town facilities. All facilities shall be designed and constructed in accordance with these Standards as well as applicable State and Federal regulations.

The purpose of these Standards is to establish a minimum criterion for design and workmanship. The jurisdiction of the Standards is as follows:

A. Sanitary Sewers

The entire sanitary system and appurtenances from the point of connection with the building plumbing to the final point of discharge at the wastewater treatment facility.

It shall be the Owner's/Contractor's responsibility to comply with all requirements of the Town or other authority having jurisdiction on work if such authority imposes greater requirements. Furthermore, the Owner shall be responsible for procuring all necessary permits and licenses, pay all charges and fees for acquiring and recording all easements, and giving all notices necessary and incidental to the work.

Addenda and/or revisions to these Standards may be issued periodically and will be distributed and made available to the public and contractor at the Town Hall. Users shall be responsible to keep apprised of any changes and revisions to these Standards.

Any conflicts between these Standards and any applicable State laws shall be superseded by such law. If any conflict arises between these Standards and applicable Town or County Ordinances, these Standards shall prevail. These Standards are approved and adopted by the Town Council, Town of Bargersville, White River Township, Johnson County, Indiana.

B. Sewer Pipe

Sewer pipe shall be the size shown on the drawings prepared and certified by a registered professional engineer and shall meet all requirements of these standards. Drawings and standards shall be submitted to and be approved by the Bargersville Town Council prior to any construction.

C. Grease Traps

All food establishments, gas stations and/or convenience stores shall install grease traps.
