ELECTRIC TRENCHING NOTICE

CUSTOMER: ***Please complete this form, sign, date and return to the utility office. Thank you.***

Date:_____

Please type or print:

Customer Name(s):_____

Street Address:_____

City, State Zip:_____

Home Phone #:_____ Work Phone #:_____

Before any trenching for temporary or permanent electric services can be started, these lines need to be located as noted:

1. Temporary service should be set within three (3) feet of where the permanent service will be installed, unless otherwise instructed
2. Water service line
3. Sewer line
4. Any private underground service line

You can have the first three (3) items located for you by making a free call to the *Indiana Underground Plant Protection Service (IUPPS)* at **1-800-382-5544**. IUPPS will notify all members in the area the need to locate their underground facilities and you will need to allow two (2) full business days for the locates to be completed.
